

THE STOP SIGN

See? Look!

Woah cool!

Wow yes, a stop sign

Aren't they so cool though? So red and shape-y!

Yeah... and a formidable opponent for drunk drivers

Dude... what

Don't worry about it

...

Ok my friend may
or may not have
crashed into one
before

Dude how??
Why???

Ask my
friend, not
me

You're really
making me
wonder how
you're even
my age...

thats not new

Drunk people
tend not to follow
rules

It's so tall though!
How did your friend
even manage to
crash into it?!
